COUNCIL AGENDA: October 28, 2003

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer 

SUBJECT: Request for Approval to Submit Applications for Grant Funding for Parks Projects

## RECOMMENDATION

It is recommended that the City Council adopt the resolutions to approve the submittal of applications for grant funds for the 2002 Resources Bond Act Per Capita Program and Roberti-Z'Berg-Harris Urban Open Space and Recreation Grant program under the California Clean Water, Safe Neighborhood Parks and Coastal Protection Act of 2002.

## BACKGROUND

**Per Capita Program under the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Bond Act of 2002:** The Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act of 2002, is intended to acquire and develop properties of the State Park System for land, air, and water conservation programs. The Per Capita Grant Program is intended to maintain a high quality of life for California's growing population by providing a continuing investment in parks and recreational facilities. Specifically, it is for the acquisition and development of the neighborhood, community and regional parks and recreation lands and facilities in urban and rural areas.

**Roberti-Z'Berg-Harris (RZH) Urban Open Space and Recreation Grant Program under the Safe Neighborhood Parks, Clean Water, Clean Air and Coastal Protection Bond Act of 2002:** The Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act of 2002 responds to the recreation and open-space needs of a growing population and expanding urban communities. The RZH program is intended to address critical neighborhood park needs. The block grant funds are allocated on a population-based formula to cities, counties and district that meet their requirements. The grant funds shall be expended on high-priority projects that satisfy the most urgent park and recreation needs, with emphasis on unmet needs in the most heavily populated and most economically disadvantage areas. The grant is intended to supplement, and not to supplant, local expenditures for park and recreation facilities. They are not to diminish in any way the current efforts for providing park and recreation services.

### **ANALYSIS**

The City's grant portion from the Per Capita Program is \$220,000. The City is not required to make any local match.

The City's grant portion of the Roberti-Z'Berg-Harris Urban Open Space and Recreation Program under the 2002 Resources Bond Act is \$53,209.

In order to receive the grant funds from both the Per Capita Allocation and the Roberti-Z'Berg-Harris Block Grant Allocation, the City must submit the two resolutions approved and adopted by the City of Loma Linda to the State Office of Grants and Local Services.

The City is not required to identify specific projects within the resolutions. At this time, the Public Works Department has not yet identified any projects. The Public Works Department will develop a project list, based on eligibility and project cost. Once the projects have been determined, the Parks, Recreation and Beautification Committee and City Council will review the projects for approval.

### **ENVIRONMENTAL**
